

PORTFOLIO OF SOLUTIONS SHARING INFORMATION ABOUT INNOVATION

The Portfolio of Solutions is a database-driven online catalogue, designed to document relevant available solutions for Crisis Management across Europe.

Practitioners : insight into innovative Crisis Management solutions that address their needs

Solution providers: a new way to promote their innovative solutions

All: ability to address gaps and match them to Crisis Management functions and solutions

By making it easier to adopt new innovative solutions, the Portfolio of Solutions will contribute towards a shared understanding of Crisis Management and an improved handling of crisis situations across Europe.
